*"We drink too much, smoke too much, spend too recklessly, laugh too little, drive too fast, get too angry, stay up too late, get up too tired, read too little, watch TV too much, and pray too seldom. We have multiplied our possessions but reduced our values. We talk too much, love too seldom, and hate too often. We've learned how to make a living, but not a life. We've added years to life not life to years.*

**IMPORTANT INFORMATION**

HQ is noisy and busy - that's how we run it, it's an 'added value' experience, join in, sing and dance. However, if you'd like somewhere quiet, please advise us and we will accommodate you, or offer alternatives.

*Thank you for understanding.*

*"Eat at a local restaurant tonight.  
Get the cream sauce.*

*Have a cold pint at 4 o'clock in a mostly empty bar.*

*Go somewhere you've never been. Listen to someone you think may have nothing in common with you. Order the steak rare. Eat an oyster.  
Have a Negroni. Have two.*

*Be open to a world where you may not understand or agree with the person next to you, but have a drink with them anyways. Eat slowly. Tip your server. Check in on your friends.  
Check in on yourself. Enjoy the ride."*
